

Account Manager

Fast Genetics is currently seeking a highly motivated person to fill a permanent full-time position in our innovative company as Account Manager; reporting to the Western Canadian Sales Manager.

The successful candidate is ideally based in Southern Alberta or Southern Saskatchewan.

This position will include the following responsibilities and day-to-day functions, but is not limited to:

- Manage and maintain existing Fast Genetics sales accounts.
- Generate sales into new accounts.
- Work to grow Fast Genetics market share.

The successful candidate would ideally possess the following experience and qualifications:

- Sales experience in the agriculture industry with a proven track record of success is an asset however for a new graduate with a keen sense for learning, we will train you in sales and pig production service.
- Bachelor's Degree in Animal Science or related field.
- Knowledge of swine genetics.
- Strong understanding of pig production.
- Team-orientated.
- Ability to travel and work flexible hours.
- Outstanding communication skills.
- Organized, motivated and energetic.
- Strong business, interpersonal and persuasive negotiation skills.

The successful candidate must also demonstrate our shared values:

Integrity: to be honest with our customers and ourselves and to maintain high ethical principles.

Respect: for our people, our pigs, our customers and the environment in which we work.

Innovation: to always seek new and creative ways to improve our products and services for our customers.

Excellence: we will do what it takes to get the job done right in an effort to exceed customer expectations.

About Fast Genetics

Fast Genetics is a leading North American based pig genetics company with global reach. We provide breeding stock and innovative genetic solutions to pork producers to assist them in providing healthier food and using fewer resources in an environmentally sustainable way. We are committed to our founding principles of high health, integrity, and animal care. At Fast Genetics we empower our people by supporting and encouraging them to grow personally as well as professionally.

Wages will be based on the successful candidate's experience and qualifications.
