

Part-time Feed Truck Driver Opportunity

Fast Genetics is currently seeking a highly motivated person to fill a temporary part-time position as a Feed Truck Driver in Spiritwood, SK. This position will report to the Northern Feeds Mill Manager. Work schedule would be Monday, Tuesday and Thursday 5:00am to approximately 3:00pm and possibly Friday's from 5:00am to 11:00am depending on availability of applicant.

This position will include the following responsibilities and day-to-day functions, but is not limited to:

- Loading and unloading the feed truck,
- Hauling feed to 5 offsite Fast Genetic barns in a timely manner. The furthest barn located close to Melfort SK.
- Adhering to all traffic and safety laws,
- Performing pre-trip, post-trip inspections and preventative maintenance checks on trucks and trailer,
- Observing the feed that is being hauled and ensuring that it is handled and unloaded as required for proper sequencing.
- Completing all required paperwork and forms.
- Assisting in the mill as needed,
- Other duties as requested.

The successful candidate would ideally possess the following experience and qualifications:

- Working knowledge and experience in truck and trailer maintenance,
- Class 1A license and the ability to drive in all weather conditions,
- Safe and courteous driving habits verified by a current drivers abstract at time of interview,
- 2 years of related experience,
- Self-motivated and reliable,
- Shares in Fast Genetics core values.

The wage range for this position is from \$18.00-\$23.00/hour. Fast Genetics offers a comprehensive benefit plan for part-time employees.
