

Feed Truck Driver Opportunity

Fast Genetics is currently seeking a highly motivated person to fill a permanent full-time position in our innovative company as a Feed Truck Driver in Spiritwood, SK. This position will report to the Northern Feeds Mill Manager.

This position will include the following responsibilities and day-to-day functions, but is not limited to:

- Loading and unloading the feed truck,
- Hauling feed to 5 offsite Fast Genetic barns in a timely manner. The furthest barn located close to Melfort SK.
- Adhering to all traffic and safety laws,
- Performing pre-trip, post-trip inspections and preventative maintenance checks on trucks and trailer,
- Observing the feed that is being hauled and ensuring that it is handled and unloaded as required for proper sequencing.
- Completing all required paperwork and forms.
- Assisting in the mill as needed,
- Other duties as requested.

The successful candidate would ideally possess the following experience and qualifications:

- Working knowledge and experience in truck and trailer maintenance,
- Class 1A license and the ability to drive in all weather conditions,
- Safe and courteous driving habits verified by a current drivers abstract at time of interview,
- 2 years of related experience,
- Self-motivated and reliable,
- Shares in Fast Genetics core values.

Fast Genetics' feed truck runs Monday-Friday and has a wage range from \$18.00-\$23.00/hour. Fast Genetics offers a comprehensive benefit plan including health, dental/ortho, vision, disability, group life insurance, and a registered pension plan.
