FAST GENETICS HIRES BRAD HENNEN AS ACCOUNT MANAGER

Saskatoon, Saskatchewan (April 20, 2017) – Fast Genetics hires Brad Hennen as an Account Manager.

Previous Account Manager of a swine genetics company and owner of a farrow-to-wean hog operation in Minnesota, Mr. Hennen brings years of sales and production experience to Fast Genetics' team. In addition to his sales and production experience, Mr. Hennen has served on various National Pork Board committees and the Minnesota Pork Board.

Mr. Hennen will be responsible for growing and maintaining accounts in Minnesota and surrounding states. He will report to Paul Flint, Fast Genetics' US Sales Manager. Fast Genetics will continue to add highly respected and talented individuals, like Mr. Hennen, to its team in the near future. Fast Genetics is excited about his inclusion to its team!
