

Maintenance Technician

Fast Genetics is currently looking to fill a permanent full-time Maintenance Technician position. This position will report directly to the Maintenance Manager.

This position will include the following responsibilities and essential job functions:

- Prioritize work order completion based on urgency and work with barn managers to ensure the provisions of safe, timely and efficient service,
- Complete routine repairs and preventative maintenance ranging from heating and ventilation to plumbing, welding, carpentry, and troubleshooting several assets,
- Travel to various locations in the Spiritwood area,
- Adhere to all SOPs, biosecurity, and health and safety,
- Ensure proper operations and maintenance of all barn equipment,
- Responds to ER situations and works on an on-call rotation as required for after hour call outs.

The successful candidate should possess the following qualifications:

- Effective time management with a clear focus to attain results,
- Able to manage priorities and solve problems,
- Self-motivated and reliable,
- Strong troubleshooting skills,
- Demonstrates a strong technical sense and understanding of equipment operations and maintenance,
- 5+ years of experience in a related field or position,
- Class 5 driver's license,
- Shares in Fast Genetics' core values.

Wages range from \$18-\$25.00/hr and is based on the successful candidate's experience and qualifications. Fast Genetics offers a comprehensive benefit plan including health, dental/ortho, vision, disability, group life insurance, and a registered pension plan.
