

Maintenance Technician

Fast Genetics is currently looking to fill two permanent full-time Maintenance Technicians. These positions will report directly to the Maintenance Supervisor.

This position will include the following responsibilities and essential job functions:

- Prioritize work order completion based on urgency and work with barn managers to ensure the provisions of safe, timely and efficient service,
- Complete routine repairs and preventative maintenance ranging from heating and ventilation to plumbing, welding, carpentry, and troubleshooting several assets,
- Travel to various locations in the Spiritwood area,
- Adhere to all SOPs, biosecurity, and Health and Safety,
- Ensure proper operations and maintenance of all barn equipment,
- Responds to ER situations and works on an on-call rotation as required for after hour call outs.

The successful candidate should possess the following qualifications:

- Effective time management with a clear focus to attain results,
- Able to manage priorities and solve problems,
- Self-motivated and reliable,
- Strong troubleshooting skills,
- Demonstrates a strong technical sense and understanding of equipment operations and maintenance,
- Shares in Fast Genetics core values,
 - **Integrity:** to be honest with our customers and ourselves and to maintain high ethical principles.
 - **Respect:** for our people, our pigs, our customers and the environment in which we work.
 - **Innovation:** to always seek new and creative ways to improve our products and services for our customers.
 - **Excellence:** we will do what it takes to get the job done right in an effort to exceed customer expectations.

Wages range from \$16.50-\$21.50/hr and is based on the successful candidate's experience and qualifications. Fast Genetics offers a comprehensive benefit plan including health, dental/ortho, vision, disability, group life insurance, and a registered pension plan.
