

Swine Production Technician – Spiritwood, SK

About Us

Fast Genetics is a leading North American based pig genetics company with global reach. We provide breeding stock and innovative genetic solutions to pork producers to assist them in providing healthier food and using fewer resources in an environmentally sustainable way. Fast Genetics is a subsidiary of Sexing Technologies (ST).

Opportunity

Fast Genetics is currently seeking highly motivated people to fill several **full-time Swine Production Technician** positions in our production facilities in Spiritwood, Saskatchewan. The successful candidate would ideally live in the surrounding communities, but foreign recruits are welcome to apply as we hire through the Saskatchewan Immigration Nomination Program (SINP).

This position will include the following responsibilities and day-to-day functions but is not limited to:

- Performing specific department duties,
- Ensuring proper health, handling, and comfort of sows, gilts, and piglets; ie: daily health checks,
- Carrying out daily care routines,
- Weigh, sort, handle and/or move pigs,
- Ensuring feed and water systems are working properly,
- Monitoring and maintaining proper ventilation and temperature using an automated control system,
- Performing minor maintenance tasks,
- Power washing empty pens and prepping rooms for animal entry,
- Keeping accurate records on all animals as requested; ie: pig identification,
- Working safely while performing all job duties,
- Ensure the barn's biosecurity protocol is followed by all staff and visitors,
- Performing other general farm duties as required.

The successful candidate would ideally possess the following qualifications and experiences:

- Self-motivated and reliable,
- Team player,
- Outstanding organization and communication skills and demonstrates attention to detail,
- Able to manage priorities and solve problems,
- Previous livestock experience,
- Driver's license,
- A college certificate or other specialized training in agriculture or livestock husbandry with 1-2 years of experience would be an asset,
- Shares in Fast Genetics' core values.

What we offer

- Dynamic and challenging work for talented individuals,
- A competitive salary with wages ranging from \$14.00 -\$19.50/hr and are based on the successful candidate's experience and qualifications,
- Production bonus,
- Employee referral program,
- Comprehensive benefits package including pension, with a 4% employer match,
- Vacation and other types of leave (maternity/paternity/adoption, family/personal leave, sick leave),
- Inclusive work environment.
